Concession Supply

PRODUCT CATALOG

Letter from the President

Dear Friends,

Thank you for taking the time to explore our latest concession catalog. It is a privilege to continue serving you, and we deeply value the trust you place in Berk Concession Supply.

I am honored to share some exciting news. As part of a third-generation family business, having spent the last 11 years immersed in every aspect of our company, I am thrilled to step into the role of President. This transition marks a significant moment not only for me personally, but for Berk Enterprises as we look towards a bright future built on innovation and the values that have guided us for decades. While I assume this new role, my father's passion for this industry remains as strong as ever. He will continue to be a presence in our business operations and maintain the relationships that have been essential to our success.

We are grateful for the continued support of our distribution partners, whose commitment and efforts have been integral to our growth. Together, we look forward to continuing our tradition of excellence and expanding our service to meet the evolving demands of the industry.

Thank you for your ongoing support. We are excited about the journey ahead and remain committed to delivering quality and value as we move forward together.

Sincerely,
Reilly Berk

Reilly Berk, President

**Berk is proud to partner with Alex's Lemonade Stand Foundation.
Read more about ALSF's mission below!**

About Alex's Lemonade Stand Foundation Fighting Childhood Cancer, One Cup at a Time!

At Alex's Lemonade Stand Foundation (ALSF), we believe that a lemonade stand can cure childhood cancer. As a 501(c)(3) non-profit organization, ALSF is focused on funding innovative and impactful research that will provide safer treatments and cures for all types of pediatric cancers. By raising awareness, supporting families facing a diagnosis and empowering everyone to make a difference, ALSF is turning lemons into lemonade.

The Lemons:

- Every year, an estimated 400,000+ new cases of cancer affect children under the age of 20 worldwide.
- 95% of survivors experience side effects from treatment by the time they are 45 years old.

The Lemonade:

- **Sweet Supporters:** Generous ALSF supporters of all ages host lemonade stands and attend events, raising hundreds of millions for kids with cancer.
- **Fueling Breakthrough Research:** ALSF funds cutting-edge research grants at leading hospitals and institutions across the globe for lifesaving discoveries and safer, more effective treatments.
 - *We select research projects through a rigorous peer review process with expert advice from our Scientific Advisory Board. ALSF is a leader in funding studies which engage early career researchers, drive innovation and improve quality of life and care.
- **Helping Families in Need:** ALSF knows firsthand the difficulties of childhood cancer families and offers programs that can help. Travel For Care provides flight, lodging and gas cards for families that must travel for treatment, while SuperSibs offers emotional support and comfort to siblings of children with cancer – all to help ease the burden of these families.

Reach out to us for ideas to get involved!

Meet Alex, Our Founder

**A determined 4-year-old
with a sweet idea**

In 2000, Alexandra "Alex" Scott, who was fighting cancer, announced that she wanted to hold a lemonade stand to raise money to help find a cure for all children with cancer. Her spirit and determination inspired others to support her cause, and when she passed away at the age of 8, she had raised \$1 million. Alex's Lemonade Stand Foundation honors Alex's courage and generosity and carries on her mission. Today, ALSF is one of the leading funders of pediatric cancer research in the U.S.

LEMONADE

Berk has partnered with Alex's Lemonade Stand to help fight childhood cancer. A portion of the sale from this cup supports this great cause!
